SECTION 9 - WHAT ELSE DO YOU NEED TO KNOW?

This certificate evidences the agreement between you and us. Despite any other provision of this agreement, this agreement is subject to any applicable Canadian law concerning contracts of insurance. This coverage may be cancelled, changed or modified at our option or at the option of Amex Bank of Canada at any time to the extent required by applicable law and subject to compliance with any notice requirements under applicable law. This certificate replaces any and all certificates previously issued to the **Cardmember** with respect to this Policy.

Other Insurance or Recovery. Except in Quebec where the provisions set out under section 2496 of the *Civil Code of Quebec* shall apply, this insurance is strictly excess coverage and does not apply as contributing insurance. The Policy is not a substitute for **other insurance** and covers the **Cardmember** only to the extent a permitted claim exceeds the coverage of **other insurance**. The Policy also provides coverage for the amount of the deductible of **other insurance**. The coverage takes effect only when the limits of the **other insurance** have been reached and paid to the **Cardmember** regardless of whether the **other insurance** contains provisions purporting to make the coverage of such **other insurance** non-contributory or excess.

Benefits Limited to Incurred Expenses. The total benefits paid to you from all sources cannot exceed the actual expenses which you have incurred.

Misrepresentation and Non-Disclosure. Any fraudulent statements by you in connection with a claim will result in denial of such claim, in which case no benefits will be paid.

Subrogation. If you incur expenses due to the fault of a third party, you assign to us the right to take action against the party at fault in your name. This will require your full cooperation with us and we will pay for all of the related expenses.

Additionally, if No Fault benefits or other collateral sources of payment of expenses are available to you, regardless of fault, the **Insurer** is granted the right to make a demand for, and recover those benefits. If the **Insurer** institutes an action, the **Insurer** may do so at its own expense, in your name, and you will attend at the place of loss to assist in the action. If you institute a demand or an action for a covered loss, you shall immediately notify the **Insurer** so that it may safeguard its rights. You shall take no action after a loss that will impair the rights of the **Insurer** set forth in the previous paragraph and shall do such things as are necessary to secure the **Insurer's** rights.

Canadian Currency. Any claims paid to you will be payable in Canadian funds. If you have paid a covered expense, you will be reimbursed in Canadian currency at the prevailing rate of exchange on the date that the claim payment is made to you. No sum payable shall bear interest.

Entire Agreement. This certificate is the entire contract between you and the **Insurer**. Despite any other provision of this contract, this contract is subject to any applicable federal and provincial statutes concerning contracts of insurance.

Group Contract. On reasonable notice you or a claimant under the contract will be provided with a copy of the group contract (applicable only in those provinces where mandated by legislation and subject to certain access limitations permitted by applicable legislation).

Payment of Benefits. All payments are payable to you or on your behalf. In case of your death, benefits are payable to your estate unless another beneficiary is designated in writing to the **Insurer**.

Applicable Law. The terms of this insurance coverage shall be governed and interpreted according to the laws of the province or territory in which the **Cardmember** is resident.

Material Facts. No statements or representations made by employees of Amex Bank of Canada, our employees or our agents can vary the terms of this insurance coverage.

Limitation of Actions. Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* (for actions or proceedings governed by the laws of Alberta, British Columbia and Manitoba), the *Limitations Act, 2002* (for actions or proceedings governed by the laws of Ontario), *The Limitations Act* (for actions or proceedings governed by the laws of Saskatchewan), or other applicable legislation. For actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the *Civil Code of Quebec*.

Trade and Economic Sanctions. The **Insurer** shall not provide any coverage or be liable to provide any indemnity or payment or other benefit under this certificate if and to the extent that doing so would breach any **Prohibition**.

For the purposes of this Clause:

Prohibition means any prohibition or restriction imposed by law or regulation including but not limited to:

- a) trade and/or economic sanctions laws and/or regulations of Canada, the United Kingdom, or any other jurisdiction or authority relevant to the parties; and
- b) any activities that would be subject to a license requirement under those laws and/or regulations in respect of export control, unless such license has been obtained prior to the activity commencing and the **Insurer** has approved the provision of insurance for the activity.

Due Diligence. You shall use diligence and do all things reasonable to avoid or diminish any loss of, theft of or damage to property protected by this insurance. We will not unreasonably apply this provision to avoid claims under the Policy. Where damage or loss is due (or suspected to be due) to a malicious act, burglary, robbery, theft or attempt thereat, you shall give immediate notice to the police or other authorities having jurisdiction. We will require evidence of such notice with the Loss Report prior to settlement of a claim.

Disagreement Over Size of Loss. If there is a disagreement about the amount of the loss, either the **Cardmember** or the **Insurer** can make a written demand for an appraisal. After the demand, the **Cardmember** selects a competent appraiser

and the **Insurer** selects a competent appraiser. After examining the facts, each of the two appraisers will give an opinion on the amount of the loss. If they do not agree, they will select an arbitrator. Any figure agreed to by two of the three (the appraisers and the arbitrator) will be binding. The **Cardmember** must pay the appraiser the **Cardmember** chooses. We will pay the appraiser we choose. The **Cardmember** will share with the **Insurer** the cost of the arbitrator and the appraisal process.

Benefits to Cardmember Only. This insurance is only for the benefit of the **Cardmember**. No other person or entity shall have any right, remedy or claim, legal or equitable, to the benefits. The **Cardmember** shall not assign these benefits without prior written approval of the **Insurer**, other than benefits for gifts as provided in this certificate and the Policy.

Pair or Set. Except in the case of claims for **insured items** belonging to a pair or set, in the case of damage to any part of an **insured item**, consisting, when complete for use, of several parts, the **Insurer** is not liable for more than the repair or replacement value of the part damaged, including the cost of installation. Where parts of a pair or set are usable individually, liability will be limited to payment equal to a proportionate part of the **purchase price** for the **insured item** or **insured items** which form the basis of a claim hereunder.

Statutory Conditions. The Policy includes Statutory Conditions that apply to insurance against loss or damage to property in the form prescribed by applicable provincial and territorial insurance legislation.

SECTION 9 - WHAT ELSE DO YOU NEED TO KNOW?

This certificate evidences the agreement between you and us. Despite any other provision of this agreement, this agreement is subject to any applicable Canadian law concerning contracts of insurance. This coverage may be cancelled, changed or modified at our option or at the option of Amex Bank of Canada at any time to the extent required by applicable law and subject to compliance with any notice requirements under applicable law. This certificate replaces any and all certificates previously issued to the **Cardmember** with respect to this Policy.

Other Insurance or Recovery. Except in Quebec where the provisions set out under section 2496 of the *Civil Code of Quebec* shall apply, this insurance is strictly excess coverage and does not apply as contributing insurance. The Policy is not a substitute for **other insurance** and covers the **Cardmember** only to the extent a permitted claim exceeds the coverage of **other insurance**. The Policy also provides coverage for the amount of the deductible of **other insurance**. The coverage takes effect only when the limits of the **other insurance** have been reached and paid to the **Cardmember** regardless of whether the **other insurance** contains provisions purporting to make the coverage of such **other insurance** non-contributory or excess.

Benefits Limited to Incurred Expenses. The total benefits paid to you from all sources cannot exceed the actual expenses which you have incurred.

Misrepresentation and Non-Disclosure. Any fraudulent statements by you in connection with a claim will result in denial of such claim, in which case no benefits will be paid.

Subrogation. If you incur expenses due to the fault of a third party, you assign to us the right to take action against the party at fault in your name. This will require your full cooperation with us and we will pay for all of the related expenses.

Additionally, if No Fault benefits or other collateral sources of payment of expenses are available to you, regardless of fault, the **Insurer** is granted the right to make a demand for, and recover those benefits. If the **Insurer** institutes an action, the **Insurer** may do so at its own expense, in your name, and you will attend at the place of loss to assist in the action. If you institute a demand or an action for a covered loss, you shall immediately notify the **Insurer** so that it may safeguard its rights. You shall take no action after a loss that will impair the rights of the **Insurer** set forth in the previous paragraph and shall do such things as are necessary to secure the **Insurer's** rights.

Canadian Currency. Any claims paid to you will be payable in Canadian funds. If you have paid a covered expense, you will be reimbursed in Canadian currency at the prevailing rate of exchange on the date that the claim payment is made to you. No sum payable shall bear interest.

Entire Agreement. This certificate is the entire contract between you and the **Insurer**. Despite any other provision of this contract, this contract is subject to any applicable federal and provincial statutes concerning contracts of insurance.

Group Contract. On reasonable notice you or a claimant under the contract will be provided with a copy of the group contract (applicable only in those provinces where mandated by legislation and subject to certain access limitations permitted by applicable legislation).

Payment of Benefits. All payments are payable to you or on your behalf. In case of your death, benefits are payable to your estate unless another beneficiary is designated in writing to the **Insurer**.

Applicable Law. The terms of this insurance coverage shall be governed and interpreted according to the laws of the province or territory in which the **Cardmember** is resident.

Material Facts. No statements or representations made by employees of Amex Bank of Canada, our employees or our agents can vary the terms of this insurance coverage.

Limitation of Actions. Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* (for actions or proceedings governed by the laws of Alberta, British Columbia and Manitoba), the *Limitations Act, 2002* (for actions or proceedings governed by the laws of Ontario), *The Limitations Act* (for actions or proceedings governed by the laws of Saskatchewan), or other applicable legislation. For actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the *Civil Code of Quebec*.

Trade and Economic Sanctions. The **Insurer** shall not provide any coverage or be liable to provide any indemnity or payment or other benefit under this certificate if and to the extent that doing so would breach any **Prohibition**.

For the purposes of this Clause:

Prohibition means any prohibition or restriction imposed by law or regulation including but not limited to:

- a) trade and/or economic sanctions laws and/or regulations of Canada, the United Kingdom, or any other jurisdiction or authority relevant to the parties; and
- b) any activities that would be subject to a license requirement under those laws and/or regulations in respect of export control, unless such license has been obtained prior to the activity commencing and the **Insurer** has approved the provision of insurance for the activity.

Due Diligence. You shall use diligence and do all things reasonable to avoid or diminish any loss of, theft of or damage to property protected by this insurance. We will not unreasonably apply this provision to avoid claims under the Policy. Where damage or loss is due (or suspected to be due) to a malicious act, burglary, robbery, theft or attempt thereat, you shall give immediate notice to the police or other authorities having jurisdiction. We will require evidence of such notice with the Loss Report prior to settlement of a claim.

Disagreement Over Size of Loss. If there is a disagreement about the amount of the loss, either the **Cardmember** or the **Insurer** can make a written demand for an appraisal. After the demand, the **Cardmember** selects a competent appraiser and the **Insurer** selects a competent appraiser. After examining the facts, each of the two appraisers will give an opinion on the amount of the loss. If they do not agree, they will select an arbitrator. Any figure agreed to by two of the three (the appraisers and the arbitrator) will be binding. The **Cardmember** must pay the appraiser the **Cardmember** chooses. We will pay the appraiser we choose. The **Cardmember** will share with the **Insurer** the cost of the arbitrator and the appraisal process.

Benefits to Cardmember Only. This insurance is only for the benefit of the **Cardmember**. No other person or entity shall have any right, remedy or claim, legal or equitable, to the benefits. The **Cardmember** shall not assign these benefits without prior written approval of the **Insurer**, other than benefits for gifts as provided in this certificate and the Policy.

Pair or Set. Except in the case of claims for **insured items** belonging to a pair or set, in the case of damage to any part of an **insured item**, consisting, when complete for use, of several parts, the **Insurer** is not liable for more than the repair or replacement value of the part damaged, including the cost of installation. Where parts of a pair or set are usable individually, liability will be limited to payment equal to a proportionate part of the **purchase price** for the **insured item** or **insured items** which form the basis of a claim hereunder.

Statutory Conditions. The Policy includes Statutory Conditions that apply to insurance against loss or damage to property in the form prescribed by applicable provincial and territorial insurance legislation.
